MSJ ALTAR SERVERS

I'm a Catholic Altar Server what's your super power?

Our altar servers at Mission San Jose are amazing stewards of the church. While learning the mass in a special class, serving at the table of the Lord, attend Eucharistic Adoration and Benediction, they find time to give of their time, talent and treasure to their parish. We want to share and recognize them for good works.

Miranda Sanchez wrote the following essay as her school assignment:

Church

I sacrifice my every Sunday to go to church and catechism. Every Sunday I wake up about 7:00 or 8:00 to go to the 9:00 mass and when mass over I go to catechism and when that's over its about 11:00am , that's my whole morning at church. Me and my family one time volunteered to help work at the game for the church festival that they were having. My sister and I always volunteer to go sell tacos in the morning before church and we also buy water to give to people and my Mom makes taco filling to give to the church so they can make tacos and sell them. My sister and brother and me also give our time to be altar servers to help in the mass. We also spend time going to meetings to know what events are gonna happen in the church. We also give money or donation to the church to help rebuild the church and people in need. When we are done volunteering and helping out our church it's still good to help out and give our time and to be there and help and give them what they need for the church.

Note from teacher: she wrote the best essay in class!

Jack La Fleur was featured on Kens5 Great Day SA being part of Project Brave. It's about "showing kindness to others " A good server with a good message!

Our servers also participated in bringing diapers for the baby victims of Hurricane Harvey and sent them to Catholic Charities.

We are so proud of all our servers, as they do service at the altar, at the parish and in the greater community. True stewards of Christ. *Pray for our Altar Servers, as they grow and get closer to God.*
